

## Preparing for an outage

Remember to **PLAY IT SAFE AROUND ELECTRICITY** and stay clear of downed power lines. Report outages, downed power lines or other emergencies to Inter-County Energy by calling the Outage Reporting Line at 1-866-224-2235. [Checklist and Outage Tips](#)

Inter-County Energy members should always be prepared in the event winter storms cause power outages. Members should have the following items on hand at all times:

**Flashlights and fresh, extra batteries**

**Battery-backup powered NOAA weather radio**

**AM/FM radio**

**Extra food and water**

**Can opener**

**Extra medicine and baby supplies**

**First aid kit**

**Emergency heat source**

**Fire extinguisher**

**Smoke alarm**
