

WASHINGTON YOUTH TOUR

Students visit our capitol

Each year, we sponsor six high school students to attend the National Rural Electric Cooperatives' Washington Youth Tour. While in Washington, D.C., students will visit many of our nation's memorials, the U.S. Capitol, Arlington National Cemetery and meet with Kentucky's national representatives in Congress. Selected students will join others from across the nation for this free trip.

Plus, students will attend the Frankfort Youth Tour prior to the Washington trip in the summer. Students will tour Kentucky's capitol and meet with elected officials. Find an application and more details at www.intercountyenergy.net.

SCHOLARSHIPS

Committed to education

We have a commitment to our communities and our youth. Inter-County Energy offers six \$1,000 scholarships each year (one in each district) to a deserving high school senior. The student's parent or legal guardian must be a member of Inter-County Energy with their primary residence being served by the cooperative. Applications are available at www.intercountyenergy.net.

SOCIAL MEDIA

Staying connected

Looking for the latest news about your cooperative? Just follow us on Facebook, Twitter and Instagram for updates on outages, energy saving tips, fun contests and more. It's your way to be a part of our social community.

Members may purchase electricity before you use it with our Prepay Service Program (Prepay). This program allows residential members to avoid paying deposits, late fees, collection fees and/or reconnect fees. Prepay provides you the opportunity to become more aware of your energy usage and better manage it.

Don't like surprises? Our Levelized Billing Program for residential members will ease the burden of high bills and allow you to pay an average bill each month. The levelized amount is based on the average consumption for the most recent 12 months. The bill amount will not be exactly the same each month, but will increase or decrease slightly as the consumption pattern changes. This avoids extreme fluctuations in payments because of seasonal increases and decreases in energy use.

If you have been a member of Inter-County Energy for 12 months or longer at your current location, sign up any time since there is never a "settlement" month.

We make it easy to pay your bill with our Automatic Bank Draft Service. If you enroll in this program, your electric bill is automatically deducted from your checking or savings account each month.

Automatic Bank Draft Service will save you time, postage and check costs. In addition, you will have the security of knowing that your bill will always be paid on time - even when you are away from home.

Just like most businesses, we offer online bill pay (at www.intercountyenergy.net) and through our app. Search for ICEnergy in your app store download and get started. All you need is your account number to login in and use a major credit card or debit card to pay your Inter-County Energy bill online. It's a safe, easy and secure way to pay.
